

## QUALITY POLICY

**MEPAT, S.A.**'s primary objective is to manufacture and supply products that meet the needs and expectations of our customers, and to ensure that these products comply with the specified requirements, as well as with any legal or regulatory requirements applicable to the product, without accepting any conditions that might compromise the quality of said products.

**Our main commitments are:**

*To offer a quality product, manufactured in accordance with European standards, guaranteeing our customers agreed delivery times and competitive prices.*

*Produce with the highest sustainability standards.*

*Reduce non-conformities and customer complaints.*

*Ensure the reliability and cooperation of our suppliers and to control all outsourced processes to incorporate the highest quality into our products.*

*Innovate in our processes, renew production equipment where necessary, and optimize the use of available resources.*

*To ensure the safety of our employees, provide continuous training for our staff, and encourage the participation of all personnel.*

*To work continuously towards the improvement of the Quality Management System and the achievement of our objectives.*
